

ARIZONA
ASSOCIATION FFA

STATE OFFICER CANDIDATE INFORMATION SHEET

CANDIDATE NAME: Carson Shannon

CHAPTER: Willcox FFA

SAE: Diversified Livestock Production, Goat Production, and Sheep Production

OFFICES HELD: Chapter Historian
Chapter POA
Gila Southern President/ Vice President

FFA INVOLVEMENT:

SCHOOL AND COMMUNITY INVOLVEMENT:

Senior and Junior years I have played Varsity Tennis as well as being a member of my school's Science Club. I have put in numerous hours of community service through FFA.

EDUCATIONAL PLANS & GOALS:

I plan on attending Eastern Arizona College for two years before transferring to a university to study Agricultural Education or Zoology.

WHY I DESIRE TO SERVE:

I desire to serve because I want to inspire other members to be the best they can be in this organization. I have had so many mentors, role models, and friends who were Arizona FFA State Officers and I want to ignite a spark in other members just as they did for me. Agriculture has been a part of my life since birth, but I never thought a youth organization could impact me in the ways it has.
