

ARIZONA
ASSOCIATION FFA

STATE OFFICER CANDIDATE INFORMATION SHEET

CANDIDATE NAME: Kinsey Speer

CHAPTER: Payson

SAE: My current SAE is a placement internship and is under the agriculture education category. Through my internship as an Americorps member, I get to create, prepare, and teach Ag based lessons to at-risk elementary students in the Payson and Miami communities.

OFFICES HELD: 2018-2019 Payson FFA Chapter Reporter
2019-2020 Payson FFA Chapter Secretary
2020-2021 Payson FFA Chapter President

FFA INVOLVEMENT:

Through the years I have enjoyed holding three different offices in my chapter and attending every possible chapter, district, and state event I could. I've attended two State Camps, every district conference put on by Arizona FFA and have attended every State Leadership Conference since I've been in the organization. My absolute favorite events that I've been to have been both State Camp and SLC!

SCHOOL AND COMMUNITY INVOLVEMENT:

I have attended Payson High School for four years and have been very active in serving both Payson and Globe/Miami communities through FFA and Gila County 4-H Service projects.

EDUCATIONAL PLANS & GOALS:

After earning my my general studies at a junior college, I hope to transfer to Oklahoma State where I will major in Agriculture Buisness.

WHY I DESIRE TO SERVE:

Many of the amazing people who have helped me find my purpose through agriculture and FFA have been State Officers. They not only inspired me to learn about agriculture, but how to embrace it throughout life. I started my highschool career not very confident and not knowing what to do in life. Now I know that I want to dedicate my life to growing strong leaders in agriculture and help to sustain the industry. It is because of the inspirational State Officers and other leaders that I found my purpose, and now I want the chance to do the same.
